EDUCATION

B.Tech-Computer Science
SRM Institute of Science and Technologies

07/2019 - Present   *Chennai,Tamilnadu*

CGPA
- 9.5

Intermediate
Narayana junior college(XI and XII)

06/2017 - 05/2019   *Tirupati,Andrapradesh*

CGPA
- 9.65

INTERNSHIPS

Data science intern
Technocolabs

01/2021 - 02/2021

Achievements/Tasks
- I have done internship at Technocolabs on data science. I have done few tasks related to data mining/data cleaning/data exploration etc..

Data science and business analytics intern
Sparks foundation

12/2020 - 01/2021

Achievements/Tasks
- I have done internship at Technocolabs on data science. I have done few tasks related to data mining/data cleaning/data exploration etc..

INTERPERSONAL SKILLS

Self confidence

Leadership qualities

Time management

Patience

SKILLS

`c` `c++` `python` `Html` `CSS`

PERSONAL PROJECTS

Timer to capture pictures using open cv
- In this project I used opencv to capture image from the webcam and assigned a timer to capture image.

Data analysis of corona cases
- In this project I downloaded two datasets. One is of corona cases dataset worldwide and another is of country wide . I used matplotlib and many other libraries to analyse the data

CERTIFICATES

How google does machine learning|Google (05/2020)

Data structures | UC San Diego (12/2020)

Artificial intelligence workshop | IITM research center (03/2020)

PARTICIPATIONS

Attended workshop at IITM Research park on Artificial Intelligence

Conducted webinar for juniors on python basics and Maths for machine learning

Recruited juniors to our club by interviewing them
